Dear Sir:

This paper responds to the Decision on Petition Under 37 C.F.R. § 1.47(a) dated August 24, 2006. The Decision dismissed Applicants' Petition without prejudice, and provided two months after the mailing date of the Decision for a proper response.

In response to the Decision, Applicants are submitting a declaration signed by all of the four named inventors, including the inventor who was previously unavailable. This inventor, Dr. Raed Al-Qawasmeh, could not be found until recently. Dr. Al-Qawasmeh relocated to Amman, Jordan, and Applicants were not able to locate or contact Dr. Al-Qawasmeh before the filing of the Petition. Applicants continued their

efforts to locate Dr. Al-Qawasmeh, and Dr. Al-Qawasmeh has now been located and has executed the enclosed declaration.

The Applicants respectfully renew their petition to accept the enclosed Combined Declaration and Power of Attorney.

It is believed that this response is being filed in a timely manner and that all fees have been paid and no additional fees are required. If any additional fees are required, the Examiner is authorized to charge these fees (or credit any overpayment), to Deposit Account 07-0845.

Accordingly, Applicants request that the Commissioner accept the enclosed Combined Declaration and Power of Attorney and allow prosecution of this application to proceed. The Office is invited to telephone Applicants' undersigned representative if there are any questions.

Respectfully submitted
